Re: CRIS of Approximately 328 Acres at the Proposed Friendship Industrial Park
Laurens County, South Carolina
SHPO Project No. 17-KL0088

Dear William Green:

Our office has received the documentation dated November 13, 2017 that you submitted under the Department of Commerce Site Certification program for the tract referenced above. This letter is for informational purposes only and constitutes our office's coordination under the 2014 Memorandum of Understanding (MOU) with the South Carolina Department of Commerce. This letter is not a result of consultation under Section 106 of the National Historic Preservation Act or under any pertinent state law.

The cultural resources identification survey provided meets the requirements of the MOU.

If the Friendship Industrial Park were to require state permits or federal permits, licenses, funds, loans, grants, or assistance for development, we would recommend to the federal or state agency or agencies that:

- No additional cultural resources investigations are needed.
- Architectural resource FIP-1 should be assigned a SHPO Site Number, recorded on a survey form and evaluated for NRHP eligibility.

The agency will determine if a reasonable and good faith effort has been made to identify historic properties or whether additional identification efforts are needed.

Project Review Forms and additional guidance regarding our office's role in the federal and state compliance process and historic preservation can be found on our website at <http://shpo.sc.gov/programs/revcomp>.

Our office accepts the report as final. In accordance with the MOU, please provide two bound copies of the final report to the DOC and one unbound and one digital (PDF) copy of the final report to SHPO. Please ensure that a copy of our comments letter is included in the Appendices and Attachments of the final report.

Please provide GIS shapefiles for the surveyed area (and architectural sites as applicable). Shapefiles for identified archaeological sites should be coordinated with SCIAA. Shapefiles should be compatible with ArcGIS (.shp file format) and should be sent as a bundle in .zip format. Please see our GIS Data Submission Requirements and shapefile templates that are available in the left side bar on the following webpage <http://shpo.sc.gov/research/Pages/ArchSite.aspx>. SHPO recommends e-mailing the shapefiles to the address link on the noted webpage or using a File Transfer Protocol website such as WeTransfer.com to send large files.

Please refer to SHPO Project Number 17-KL0088 in any future correspondence regarding this project. If you have any questions, please contact me at 803-896-6181 or at KLewis@scdah.sc.gov.

Sincerely,

Keely Lewis
Archaeologist
State Historic Preservation Office
